Départ 2 Rue Mané Er Groez
56550, Locoal-Mendon

Descriptif

Duration: 45 min Distance: 3.3 km Difficulty level: Easy Yellow markup All year This small circuit allows to discover the hamlet of Lapaul and to follow the brook of the Pond of the Crannic. The Chapel Saint-Paul de Lapaul (17th century) was completely rebuilt in oratory in the 20th century. Departure: From the Lapaul Fountain (modern fountain rebuilt on the site of an old fountain) go behind the transformer and then take the road on the right (yellow sign). 1 At the fork, turn left onto the rural farm road. 200 m further, pass to the right of the line marking the passage of the cows. A little further, take the pedestrian chicane (do not remove the animal barriers). 2 At the bottom of the rural road, turn right, enter the forest. Respect the rules of use. 3 Go right on the rural road to go back to the hamlet. Source:Association of Trails Locoal-Mendon.
